RESOLUTION NO. 12-002

A RESOLUTION APPROVING THE INVOICES OF THE CITY OF CREVE COEUR FOR COSTS INCURRED IN CONNECTION WITH THE REALIGNMENT OF DAUTEL AND ACTIONS IN CONNECTION THEREWITH

WHEREAS, on December 8, 2009, the Circuit Court of the County of St. Louis, Missouri entered a Judgment and Order Organizing a Transportation Development District (the "***Order***") that established the Olive/Graeser Transportation Development District (the "***District***") as a political subdivision pursuant to and in accordance with the Missouri Transportation Development District Act, sections 238.200 to 238.280 of the Revised Statutes of Missouri, as amended (the "***TDD Act***"); and

WHEREAS, the Order established the District for the sole purpose of financing the Infrastructure Improvements (as defined in the Order), which are an authorized "project" within the meaning of Section 238.202.1(5) of the TDD Act, through the imposition of a transportation development district sales tax; and

WHEREAS, the District, the City of Creve Coeur, Missouri (the "***City***"), Pace-Creve Coeur Associates, L.L.C. (the "***Developer***"), and the owners of record of all real property within the District entered into that certain District Development Agreement dated August 31, 2009, as amended by that certain First Amendment to District Development Agreement dated August 31, 2009, and that certain Second Amendment to District Development Agreement dated August 17, 2010 (as amended, the "***District Development Agreement***"); and

WHEREAS, pursuant to Section 3.5(c) of the District Development Agreement, the City has submitted evidence of certain costs incurred by the City in connection with the realignment of Dautel (the "***City Invoices***") to allow the District to confirm that the costs constitute TDD Eligible Costs (as defined in the District Development Agreement); and

WHEREAS, the District has approved a trust indenture dated as of June 1, 2010 (as modified or amended, the "***Indenture***"), between the District and UMB Bank, N.A. as trustee (the "***Trustee***"); and

WHEREAS, pursuant to the Indenture, the District is authorized to issue subordinate Series B Notes (as defined in the Indenture), to finance certain excess costs of the Infrastructure Improvements and to reimburse the City and St. Louis County in connection with the Infrastructure Improvements, all as permitted by the Development Agreement; and

WHEREAS, Bond Counsel has yet to determine whether the transportation project costs submitted by the City are TDD Eligible Costs (as defined in the District Development Agreement); and

WHEREAS, the Board of Directors desires to approve the City Invoices, subject to: (a) Bond Counsel's determination that the costs are TDD Eligible Costs, and (b) any minor amendments made thereto pursuant to Bond Counsel's comments and/or suggestions.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE OLIVE/GRAESER TRANSPORTATION DEVELOPMENT DISTRICT, AS FOLLOWS:

Section 1. Definitions. All capitalized terms not defined herein shall have the meanings set forth in the District Development Agreement or the Indenture.

Section 2. Approval of City Invoices. The District hereby approves the City Invoices attached hereto as Exhibit "A" and incorporated herein by reference, in the total amount set forth therein, subject to: (a) Bond Counsel's determination that such costs are TDD Eligible Costs, and (b) any minor amendments made thereto pursuant to Bond Counsel's comments and/or suggestions.

Section 3. Payment of Reimbursable Transportation Project Costs. The District shall submit the City Invoices to the Trustee and request that Series B Notes be endorsed to reflect additions to the principal amount in the total amount set forth on the City Invoices, in accordance with the Indenture and the District Development Agreement.

Section 4. Authority to Execute Resolution. The chairman of the Board of Directors is hereby authorized and directed to execute this Resolution for and on behalf of and as the act and deed of the District. The assistant secretary or the secretary of the District is hereby authorized and directed to attest to this Resolution.

Section 5. Further Authority. All actions heretofore taken and any failures to act by the authorized representatives, agents, and employees of the District in connection with the transactions contemplated by this Resolution are hereby ratified and confirmed. The District shall, and the representatives, agents, and employees of the District are hereby authorized and directed to, take such further action and execute and deliver such other documents and instruments as may be necessary or desirable to carry out and comply with the intent of this Resolution and shall carry out, comply with, and perform the duties of the District with respect to the City Invoices.

Section 6. Severability. The sections, paragraphs, sentences, clauses, and phrases of this Resolution shall be severable. In the event that any such section, paragraph, sentence, clause, or phrase of this Resolution is found by a court of competent jurisdiction to be invalid, the remaining portions of this Resolution are valid, unless the court finds the valid portions of this Resolution are so essential to and inseparably connected with and dependent upon the void portion that it cannot be presumed that the District has enacted the valid portions without the void ones, or unless the court finds that the valid portions, standing alone, are incomplete and are incapable of being executed in accordance with the legislative intent.

Section 7. Governing Law. This Resolution shall be exclusively governed by and construed in accordance with the applicable laws of the State of Missouri.

Section 8. Effective Date. This Resolution shall be in full force and effect from and after its passage and approval.

Adopted this 11th day of May, 2012.

I, the undersigned, Chair of the Board of Directors of the Olive/Graeser Transportation Development District, hereby certify that the foregoing Resolution was duly adopted by the Board of Directors at a meeting held, after proper notice given, on May 11th, 2012.

Re: Agreement for Mutual Support of Road Realignment dated March 25, 2009 , as amended ("Agreement") between St. Louis County, City of Creve Coeur and Pace-Creve Coeur Associates, L.L.C.

Dear Mark:

We recently received final acceptance of the Dautel Road improvements, including the traffic signal, from MoDOT, which is the final condition to the payment of $200,000 from the City in accordance with the Agreement.

Pace completed the realignment of Dautel Road and dedicated Dautel Road to the public pursuant to City Ordinance No. 5186 on March 21, 2011, a copy of which is attached for your convenience ("Dedication Ordinance"). The Olive/Graeser Transportation Development District was formed by Judgment and Order filed with the Circuit Clerk of St. Louis County on December 8, 2009 as required by the Agreement (See the attached copy of the Judgment).

In addition, the Dautel Road improvements, including the traffic signal at the Olive Boulevard Dautel Road intersection have been approved by MoDOT, the City and St. Louis County pursuant to the following:

a. MoDOT has accepted the Dautel Road improvements and the traffic signal at the intersection of Olive Boulevard and Dautel Road per the attached e-mails.

b. The City has accepted the Dautel Road Improvements in the City ROW per the Dedication Ordinance.

c. St. Louis County has accepted the Dautel Road improvements in the County ROW per the attached Memorandum dated May 16, 2011.

Please remit payment in the amount of $200,000 to Pace-Creve Coeur Associates, L.L.C. and deliver the check to me. If you have any questions or concerns please contact me.

Thanks for your consideration.

Sincerely,

AGREEMENT
FOR MUTUAL SUPPORT OF ROAD REALIGNMENT

THIS AGREEMENT made and entered into this 25th day of March, 2009, by and between St. Louis County (hereinafter "County"), the City of Creve Coeur, (hereinafter "City"), and Pace-Creve Coeur Associates, LLC (hereinafter "Developer"), for the mutual support of the realignment of Dautel Road.

WITNESSETH:

WHEREAS, the current intersection of Dautel Road and the north side of Olive Boulevard is not aligned with the corresponding intersection of Graeser Road and the south side of Olive Boulevard; and

WHEREAS, Developer has proposed a project that includes a realignment of Dautel Road and installation of a traffic signal; and

WHEREAS, Developer has requested a limited amount of public financial assistance in order to make it possible to complete such realignment in connection with its project; and

WHEREAS, City and County have determined that it is in the public interest to provide a limited amount of public financial assistance to make possible such realignment, and thereby the related installation of the traffic signal, for the benefit and improved safety of the public traveling through the City and adjoining unincorporated areas of the County; and

WHEREAS, this Agreement has been duly authorized by County Ordinance No. 23,888; and

WHEREAS, this Agreement has been duly authorized by City Resolution Nos. 811 and 825; and

WHEREAS, this Agreement has been duly authorized by the Developer;

NOW, THEREFORE, in consideration of the mutual covenants, promises, and representations contained herein, the parties agree as follows:

1. Upon completion of the realignment of Dautel Road and dedication thereof to the public by Developer on or before January 1, 2011, as described in the Site Development Plan approved by the City in its Ordinances 5051, 5052 and 5053, and in compliance with applicable permits, and upon formation of a TDD to be known as the Olive/Graeser Transportation Development District, City and County shall each pay Developer the sum of $200,000.00 (for a total of $400,000.00) as partial reimbursement of the costs of such realignment and dedication only after all deficiencies have been addressed by Developer and improvements have been accepted for maintenance as follows:
    a. Road improvements (including the new signal at Olive and

Dautel/Graeser) in MoDOT right-of-way will be accepted by MoDOT

b. Road improvements in City right-of-way will be accepted by City

c. Road improvements in County right-of-way will be accepted by County

2. Developer shall be solely responsible for completion of such realignment and dedication and shall pay all costs related thereto except as provided in paragraph 1. If the City or the County should hereafter expend any funds in connection with the realignment and dedication of Dautel Road by the Developer, the Developer shall reimburse the City and/or County for same. Developer is not the agent or contractor of City or County regarding the realignment and dedication.

3. City and Developer shall cause County to be expressly designated as a third party beneficiary under the pertinent provisions of any TDD District Development Agreement made and entered by City and Developer (with or without other parties) to facilitate the reimbursement of costs related to the installation of the traffic signal by means of a TDD sales tax, with the same rights as the City regarding potential future recovery of the monies to be paid hereunder from such TDD sales tax. Any payment made by County pursuant to paragraph 1 of this Agreement shall constitute a payment toward the Infrastructure Improvements as defined in the TDD District Development Agreement, and the TDD shall issue Series B Notes to the County in the amount of such funds in accordance with the terms of the TDD District Development Agreement, including interest payments. County understands and acknowledges that any such payment made by County will be subordinate to the recovery of the costs of the installation of the traffic signal and other related costs. County also acknowledges that reimbursement of County's contribution toward the project identified in paragraph 1 will be made from the proceeds of the TDD sales tax, and further that such recovery may never occur due to contingencies beyond the control of the parties including legal constraints concerning such matters as the duration of the TDD sales tax.. County understands and acknowledges that establishment of such a TDD and related Agreement is not a certainty. Accordingly, a breach of this provision shall not be deemed to have occurred unless such a TDD and related Agreement are established but County is not designated a third party beneficiary as provided herein

4. Changes in this Agreement, whether by modification or supplementation, must be accomplished by a formal amendment signed and approved by duly authorized representatives of the City, the County, and the Developer.

5. This Agreement shall be construed to be in accordance with the laws of the State of Missouri.

6. All the terms, covenants, and conditions of this Agreement shall inure to the benefit of and be binding upon the successors and assigns of all the parties hereto.

[Remainder of Page Intentionally Left Blank; Execution and Signature Page Follows]

IN WITNESS WHEREOF, the parties have entered into this Agreement on the date last written below:

Executed by Developer this 19th day of February, 2009.

Executed by the City this 22 day of September, 2008.

Executed by the County this 25th day of March, 2009.

Confirming partial acceptance for the Olive/Dautel/Graeser intersection, with the understanding that additional items for the rest of the project still need inspection and final acceptance.

Let me know if you need anything else at this time.

Subject: Completion of Olive at Dautel/Graeser intersection

Jim, the following punch list items were completed:

1. Remove and replace the tapered ends of the Dautel Lane paved approach
attached to the curb & gutter. Completed on Friday July 15 and inspected on Monday July 18.

2. Remove the truncated dome mat on the west side of the Walgreen's
entrance on Olive Boulevard. Completed and inspected on Tuesday July 19.

3. Repair/replace the damaged ADA truncated dome mat on the southeast
corner of the signalized intersection. Completed and inspected on Tuesday July 19.

4. Remove the sonatube from the signal base on the southeast corner of the
intersection. Completed and inspected on Tuesday July 19.

5. Install all signs, reflectors, and delineators, per the permit plan.
Complete all signal and lighting punchlist items. Completed and inspected on Friday July 22.

All of these items were completed and passé inspection by our staff. The Signal punchlist items were completed by Gerstner Electric, and re-inspected by the MoDOT signal shop on Wednesday . A faulty load switch was replaced by Gerstner Electric on Thursday which completed any outstanding items for the signal. As of Friday all of the punch list items were completed and passed our inspection. In our opinion partial acceptance can be given for the intersection of Dautel Rd/Graeser Rd @ Olive. If you have any questions concerning these items, please contact me.

Thanks,

Thanks, Steve, for meeting us today. There are a few open items we found during the inspection. These items are:

Remove and replace the tapered ends of the Dautel Lane paved approach
attached to the curb & gutter.
Remove the truncated dome mat on the west side of the Walgreen's
entrance on Olive Boulevard.

Repair/replace the damaged ADA truncated dome mat on the southeast corner of the signalized intersection.
Remove the sonatube from the signal base on the southeast corner of the intersection.
Install all signs, reflectors, and delineators, per the permit plan.
Complete all signal and lighting punchlist items.

I am authorizing your outsource inspector to approve the completed punchlist items during my absence next week, if they choose to accept the responsibility. With their confirmation, MoDOT agrees to accept the part of the total permitted improvement that includes the Dautel Lane construction.

Terry: please let me know if I've left off any of your inspection items...
reminding you to check the Radio Interconnect equipment. If not, you may inspect and accept the above items, in MoDOT's behalf, for partial acceptance. Thank you.

Subject: Pace-Dautel Road Improvements

Jim, as we discussed, we entered into an Agreement For Mutual Support of Road Realignment with the City of Creve Coeur and St. Louis County. The agreement provides that the City and the County will reimburse Pace for certain costs in upon the completion of the realignment of Dautel Lane and dedication thereof to the public. We have completed the realignment of Dautel Lane and have dedicated Dautel Lane to the City of Creve Coeur and the portion of Dautel Lane in the MoDOT right-of-way to MoDOT. One of the conditions to payment is that MoDOT accepts the Dautel Lane road improvements (including the new signal at Olive and Graeser/Dautel) in the MoDOT right-of-way.

Please confirm that MoDOT has accepted the Dautel Lane road improvements (including the new signal at Olive and Graeser/Dautel) as such Dautel Lane road improvements are within the MoDOT right-of-way. Such road improvements would include the paving sections, curb and gutter and sidewalks within the MoDOT right-of way at the Olive Boulevard Dautel Lane intersection as well as the new signal at Olive Boulevard and Graeser/Dautel. Thanks for your consideration.
